Stay Sharp

Maintain Your Competitive Edge

Incorporate low-code technology into your software strategy to:

- Build cloud-native, SaaS solutions faster and with fewer resources
- Accelerate implementation schedules and minimize maintenance efforts
- Expand to new regions, markets, and industries

EXPLORE HOW
Mendix helps software vendors tackle customers' biggest challenges

mx mendix
ISV Program

Achieve rapid product-market fit with minimal initial investment through the Mendix ISV program.

Benefit from flexible partnerships and revenue-share models.

Hone skills quickly with a dedicated developer program.

Expand your network within the Siemens ecosystem.

"WE ARE MAKING MENDIX PART OF THE OPCENTER DNA"

Silvio Saouaf
Product Portfolio Manager, Opcenter Siemens DI SW
